TIGER MOVING INSURANCE OPTIONS

PLEASE NOTE (applies to both options): Due to their fragile nature we do not cover damage to refrigerators, appliances, glass, ceramics, particle board furniture, wood floors, laminate flooring or plants. We are not liable for the contents of containers not packed by our movers. We are not liable for any damage resulting from improper preparation/packing by customer. We do not dismantle refrigerators in any way. Please double check appliance connections as we are not responsible for water leaks. In some cases tracking soil onto flooring is inevitable, we are not responsible for any resulting damage. Our liability for damage on loading jobs (no transportation of goods performed by Tiger Moving) terminates once the truck has been loaded. We highly recommend contacting your insurance agent to obtain a moving endorsement for your current policy. This contract is legally binding and your signature is evidence that you understand and accept the terms outlined by this agreement.

Option 1: \$.60/pound per item

Standard South Carolina Mover's Transit Coverage will be automatically applied to all articles at a compensation rate of \$0.60 or 60 cents per pound. Everything is valued at 60¢ per pound against damage during the move. For example: a chair weighs 10 lbs and is broken during the move - regardless of the value, settlement will be \$6.00 based on 60¢/lb/article. This is the standard minimum coverage in the moving industry. Additional Actual Value Damage Coverage can be purchased from the move supervisor. The maximum coverage is \$60 per article. By signing this contract you hereby waive Actual Value Damage Coverage!

Tiger Moving representative**Option 2: Actual value replacement**

Actual Cost Value Damage Coverage will be automatically applied to all articles. Tiger Moving, LLC agrees to reimburse customer for any damaged property at the current value of the item using strait-line depreciation and industry standard depreciation schedules. For example: The value of a used television that is damaged during the move will be determined by it's current market value using strait-line depreciation or the cost to repair said item, whichever is lower. Damage Coverage does not include the functionality of any appliance or electronic device as there is no way to pre-test functionality. See the paragraph below for damage exclusions. Customer agrees to pay a one-time fee of \$100 if using a single truck or \$200 if using 2 or more trucks for this coverage.
